## Description

Entering the property a spacious hallway has stairs rising to the first floor and a door into a bright lounge of good size. The hallway opens into the kitchen/diner/family room which forms part of the extension to the rear. This is a lovely space, benefitting from having access into the rear garden and just perfect for entertaining family or friends. The kitchen area has been well-fitted in a modern range of wall and base units and there is also a breakfast bar with seating and additional storage. Plenty of space is provided for appliances, including a Range style cooker, fridge/freezer, washing machine and dishwasher. Off the kitchen, a door gives access to a modern ground floor cloakroom. Viewers will note that there is an air conditioning system fitted, which supplies cool and heat to the kitchen and all bedrooms, providing comfort all year round.

Rising to the first floor you will find that there are four double bedrooms and a family bathroom. The master bedroom has a range of fitted, mirrored wardrobes to one wall and there is ample space in the remaining three bedrooms for either free standing or fitted furniture. The family bathroom is fully tiled in modern ceramics and fitted with a white suite, consisting of a panelled bath with shower over, pedestal wash hand basin and close coupled w.c.

Externally, to the rear of the property there is an easy to maintain, garden which offers a lovely degree of privacy with an attractive redbrick wall topped with trellis to three boundaries, and panelled fencing to the remaining boundary. The garden commences with a smart, paved patio which leads into a low maintenance artificial lawn. To the front a spacious driveway, set behind a white picket fence, provides parking for several cars and there is also an attached garage offering further parking options.
