A little more information

Rockbank is located in the peaceful but thriving northwest village of Lochranza.

An energetic village community supports facilities such as the Lochranza Country Inn (with public bar/meals); sports clubs, activities and entertainment at the Village Hall; and a small shop and restaurant at the golf course. The distillery too has a restaurant. The local primary school is at Pirnmill, some 7 miles to the south where there is a village shop/post office. Lochranza is also very popular with yachtsmen who enjoy the many moorings, floating pontoon and launch slip by the pier.

Often described as "Scotland in Miniature" the Isle of Arran has everything you could ever want from a Scottish island: an ever-changing coastline, dramatic mountain peaks, sheltered beaches, opportunities for outdoor activities galore, great cultural festivals and a wealth of tasty local produce.
