Situated within the highly sought-after Sandhills development, close to Astral Lake, this impressive four-bedroom semi-detached home has been recently renovated and significantly improved, offering a superb combination of contemporary style, generous proportions and versatile accommodation arranged across three thoughtfully designed floors.

The current owners have undertaken an extensive programme of improvements throughout the property, including the complete renovation of the ground-floor cloakroom and first-floor family bathroom, the latter incorporating a new high-quality bathtub. Further enhancements include hard flooring to the principal bedroom and first-floor study/bedroom, new stair and landing runners, new carpeting to the first-floor bedrooms and professional redecoration throughout much of the home, creating a stylish and move-in-ready family property.

The property opens into a welcoming entrance hall, where glazed double doors lead through to the superb open-plan kitchen, dining and family room – undoubtedly the heart of the home. Designed perfectly for modern family life and entertaining, the contemporary kitchen features a comprehensive range of sleek floor and wall-mounted cabinetry, generous work surfaces and an array of integrated appliances.

The adjoining dining area flows seamlessly into the extended living space, where a skylight and wide sliding patio doors flood the room with natural light while creating an effortless connection with the rear garden. From the kitchen, there is also access to the side of the property and a useful covered lean-to, providing excellent additional storage or potential pantry space. The newly renovated ground-floor cloakroom completes the accommodation on this level.

The first floor provides three well-proportioned bedrooms, including two generous doubles, together with the recently renovated three-piece family bathroom, finished to a high standard and featuring a new quality bathtub. The bedrooms have also benefited from new carpeting, while hard flooring has been installed within the study/bedroom. New runners to the staircase and landing further enhance the presentation of this level.

A further staircase rises to the impressive principal bedroom suite occupying the entire top floor. Offering a wonderful sense of privacy, the principal bedroom is a spacious retreat complete with newly installed hard flooring, fitted wardrobe storage and its own contemporary en-suite shower room.

Outside, the landscaped rear garden has been designed for both relaxation and practicality, with a generous lawn and paved patio providing the perfect setting for outdoor dining and entertaining. Gated rear access leads conveniently to the driveway.

A particularly valuable feature is the substantial workshop/home office, currently used as a gym, complete with power and lighting and offering excellent versatility as a workspace, studio, gym or hobby room. Double doors provide direct access into the adjoining garage, while the driveway offers off-road parking.

Combining recent renovations, stylish interiors, flexible living space and an enviable position within one of Leighton Buzzard's most popular residential developments, this impressive family home offers an excellent opportunity for buyers seeking a property that has already benefited from considerable investment and improvement.
