# PROPERTY DESCRIPTION

Ask anyone in the area what their top 5 roads in Tadworth are, and there is a strong chance that Tadorne Road will be a very regular contender, and frankly, for very good reason. Located close to the heart of the village and everything it has to offer, from Tadworth Primary school (with a path that leads to the school directly from the road) to the station, local shops, KT20 Bakehouse bakery and coffee shop, Heathcote medical centre and more besides, the road is highly sought after, and provides the opportunity to live in highly desirable detached family homes.

Over the years, many of these homes have been extensively improved and enlarged on their large plots, but there are ever decreasing opportunities to do so, however we are delighted to offer to the market a rare chance to purchase a detached home that provides real scope for a future owner to both enlarge and improve (subject to local authority planning) as they wish.

Currently we have just over 2000 sq ft of footprint, consisting mainly of living accommodation that includes dining hall, sitting room, family room/bedroom 4, kitchen, breakfast room, shower room to ground floor, conservatory and garden room, whilst to the first floor are three further bedrooms and family bathroom.

The size and shape of the gardens are one of the strongest selling points of this home, providing width and depth, not to mention woodland to the rear, all of which makes this a perfect plot to enhance the house itself.
