One of only two of its kind on this exciting new development – and the only one now available – this stunning three double bedroom home offers light, space, and style in abundance.

A large entrance porch and welcoming hallway lead through to the showstopping triple-aspect kitchen/dining/living space, flooded with natural light. The stylish, contemporary kitchen features clever pull out storage and is fitted with a range of appliances, while the open-plan design creates the perfect setting for family living and entertaining. A utility room with plant cupboard and a cloakroom add further practicality. For those who enjoy flexible living, the separate triple-aspect lounge is also exceptionally spacious, with direct access to the garden.

Upstairs, a galleried landing with useful storage gives access to three generous double bedrooms. The master suite is truly impressive – a generous, dual-aspect retreat with distant sea views and a stylish en-suite shower room. The remaining two double bedrooms are both well proportioned and served by a beautifully appointed family bathroom.

Outside, the property sits within its own plot with gardens, mainly laid to lawn, and parking.

Perfectly positioned within walking distance of the village with its pretty cove and beach and the working harbour, this home offers something which is incredibly difficult to find in this location and would make an outstanding family residence or an idyllic active retirement retreat.
