Fanshawe Road, Bristol

DESCRIPTION

An exceptional and substantially improved four-bedroom semi-detached family home, beautifully transformed by the current owner to offer a stunning combination of contemporary open-plan living, bespoke craftsmanship and high-quality finishes throughout. Having been lovingly cared for and extensively enhanced over many years, this impressive property must be viewed internally to fully appreciate the quality, space and lifestyle it provides.

The property benefits from off-street parking to the front and a welcoming entrance hallway leading to a spacious lounge positioned to the front of the home. To the rear is the outstanding open-plan kitchen/dining/family space, which forms the true heart of the property. Extended to create a superb entertaining and family area, the kitchen features a central island, premium Indian Black granite worktops, a large-format stainless steel sink with integrated food waste disposer and underfloor heating. The kitchen and dining area flow seamlessly into the adjoining garden room through bi-fold doors, creating a fantastic indoor/outdoor living space perfect for modern family life.

The first floor offers three well-proportioned bedrooms and a luxurious family bathroom with both bath and separate shower. A recently completed loft conversion provides an impressive principal bedroom suite, finished to an exceptional standard and benefiting from air conditioning, a stylish en-suite shower room, bespoke oak finishes and a Juliet balcony overlooking the rear garden.

Throughout the home, the current owner has invested significantly in creating a truly individual property, with premium fixtures and fittings, quality oak flooring, bespoke lighting, high-specification bathrooms and numerous thoughtful upgrades throughout.

Early viewing is highly recommended to appreciate the outstanding level of finish, thoughtful design and extensive improvements that make this a truly unique family home.

Exceptional Landscaped Rear Garden

The rear garden is a truly outstanding feature of this impressive home, having been carefully designed and landscaped by the current owner to create a private and versatile outdoor retreat. Offering a variety of spaces to relax, entertain and enjoy throughout the year, the garden has been thoughtfully planned with multiple seating areas, decking, artificial lawn areas, a bespoke barbecue area and a stunning cabana with Welsh slate roof.

A striking 10,000-litre feature pond with waterfall creates a beautiful focal point, complemented by mature planting, carefully positioned trees and shrubs which provide privacy while enhancing the natural setting. The garden also benefits from a fantastic bespoke treehouse with slide, making it an ideal space for families.

Extensive lighting has been incorporated throughout the garden, including feature lighting around the pond, waterfall, planting, decking and seating areas, creating a spectacular atmosphere during the evening. The combination of landscaping, lighting and water features creates a truly unique outdoor space, attracting a wide variety of wildlife and offering a peaceful garden environment rarely found with a property of this type.

Additional Features & Specification

The current owner has invested significantly in creating a truly individual home, with a range of high-quality upgrades and bespoke features throughout.

Further benefits include premium oak flooring, underfloor heating to selected areas, luxury bathrooms with quality fittings, waterfall taps, integrated speakers and wall-mounted televisions. The property also features bespoke ambient LED lighting, integrated audio systems, Cat 8 ethernet cabling throughout, and a range of smart home additions.

The impressive loft conversion has been completed to an exceptional standard, featuring air conditioning, electronically operated Velux windows with remote-controlled blinds, bespoke solid oak finishes and a custom-built Ottoman-style bed with additional storage. In total, the property benefits from nine Velux windows and a loft skylight, including five electrically operated Velux windows (one oversized XL model) with remote controls and rain sensors that automatically close the windows in wet weather. The two Velux windows within the loft are manually operated and fitted with electric blinds.

The garage has also been extensively upgraded with insulation, electrics, heating and plumbing, providing excellent versatility for a variety of uses. Together with the adjoining outbuilding/bar and unfinished structure, this additional space offers exceptional flexibility to suit a range of lifestyle requirements.
