Property Description

First Homes is a new scheme designed to help local first time buyers and key workers onto the property ladder, by offering homes at a discount of 30% compared to the market price. The discounts will apply to the homes forever, meaning that generations of new buyers and the local community will continue to benefit every time the property is sold.

Set within a smart, contemporary development on the southern edge of Bristol, this beautifully presented ground-floor apartment offers a calm, inviting home with a warm, modern aesthetic throughout. Thoughtfully arranged and finished with soft, homely styling, the property blends comfort with practicality, creating a space that feels instantly welcoming.

The open-plan kitchen/living area forms the natural heart of the home — a bright, sociable room with rear-aspect double-glazed windows drawing in generous natural light. The layout allows for relaxed lounging, dining, and cooking in one seamless space, while the kitchen itself features modern cabinetry, excellent storage, and a range of integrated and freestanding appliances.

Both bedrooms are well-proportioned and beautifully styled. The main bedroom enjoys a peaceful rear-aspect outlook and space for a large bed and additional furniture, while the second bedroom offers flexibility as a guest room, nursery, or dedicated workspace.
