What the owner says:

"The location has been great as I've been able to walk or cycle into town, or to the beach, although having a bus stop at the end of the road is handy too! It's also been really useful that the flat is so convenient for local shops, cafes, and supermarkets. Inside feels roomy but it has been lovely to have a decent sized back garden and be able to make the most of being outside, particularly on summer evenings."
