Commercial Freehold For Sale, Business Relocating. The property is currently operating as offices, but has the potential to revert back to residential living subject to the necessary consent. When the property was originally constructed it would have probably been used as a two bedroom end of terrace house, with two bedrooms and a bathroom on the first floor. On the ground floor there probably would have been two separate reception rooms which seem to have been knocked through to what could be a spacious dual aspect lounge/dining room, rather than offices. There is also a kitchen, and entrance hall on the ground floor. Outside is a level rear garden ready for someone to plant and grow. The location is adjacent to Portslade Station with nearby shopping outlet's, bars and cafe's. Viewing is highly recommended by the owners Exclusive agent Spencer & Leigh.

Positioned in a popular area of South Portslade with local shops, parks and what are considered to be good schools catering for all ages close by. Boundary Road shopping and Portslade train stations are a short stroll away. The Holmbush shopping centre with M&S, Next and Tesco Superstore being a short drive away along with travel networks in and out of Brighton & Hove City Centre.
