A WORD FROM THE EXPERT...

I enjoy the outdoors as well as the hustle and bustle of the city, so Chingford is the perfect spot for me. With Epping Forest on the doorstep, cycling, hiking and exploring are only a hop away. And the amazing transport links can take you into the city in less than half hour. Being able to alternate between Chingford Mount and North Chingford for a pub, restaurant, café or a takeaway means I'm spoilt for choice. I particularly enjoy meeting friends, family and colleagues in The Rusty Bike to grab some Thai food, choose from a large selection of beers or catch a game of football. Weekends are reserved for the Kings Head. The beer garden is perfect for basking in the sun during the summer. In the colder months you can warm up inside with a great roast dinner. Travelling between appointments is a joy. The sense of community is strong and friendly, and you're often wished good morning or afternoon as you walk by. The diversity of the locals is what makes Chingford great — there are loads of international takeaway restaurants and supermarkets, where I'm constantly discovering new tastes and flavours. The perfect evening spot for dog walking is Yates Meadow, where you can see across the city vista for miles. The tranquility of the hills with the high-rise buildings in the distance creates a juxtaposition that feels really special.
