The property has major curb appeal, inviting on approach! The internal layout begins with an inviting entrance hall which sits at the heart of the home and hosts the stairs. The lounge is located at the front of the home, measuring an impressive 18'11 x 11'11 and benefitting from a gorgeous feature fireplace. Accessed through the lounge and adding to the living space is a family room which provides a further 9'1 x 12'4 of living space and a set of French doors to access the rear garden.

Also facing the rear garden is the ultra-modern kitchen, which was only fitted in 2023. This room, which measures 18'0 x 15'7, boasts an abundance of cupboard and surface space to be enjoyed, as well as space for an American fridge/freezer, an integrated dishwasher, washing machine, tumble drier, double oven and induction hob. There is also ample space for a large dining table with accompanying chairs, and the current owners have also found room for a snug sitting area!

The ground floor also offers a large office space which measures 10'6 x 11'11 and could be utilised as a further sitting room, or a play room! There is also a downstairs WC which completes this impressive floorplan.

The upstairs continues to impress, with FIVE large bedrooms and THREE bathrooms! The commanding top floor is where the master bedroom can be found. The loft extension was completed in 2018, which has created a room which measures 11'2 x 22'8 at maximum dimensions, complete with an adjoining en-suite which is comprised of a walk-in shower, toilet and sink. There is also plenty of eaves storage still available.

Bedroom 2 measures 8'4 x 12'4 and also benefits from an adjoining en-suite, comprised of a walk-in shower, toilet and sink. To the rear of the garden is a large cabin which measures 13'9 x 19'8, currently hosting a bar area, pool table and TV. The cabin has power and heating, as well as its own wi-fi connection. There is a large side access to one side of the home, and the other side boasts an adjoining garage.
