With great recommendations comes great responsibility...
As an integral part of the community, we've built a trusted network of professionals who know their stuff and can help make your property journey as smooth as possible. If we recommend a professional to you, it's because we genuinely believe they can do a great job and help you through the process.

That said, every hero has to know the fine print! A small number of the professionals we recommend — certainly not the majority — may occasionally pay us a referral fee of up to £200. Rest assured, you are under no obligation whatsoever to use any third party we recommend.

And now for the Anti-Money Laundering mission...

If you successfully have an offer accepted on one of our properties and proceed with the purchase, there is an administration charge of £36 inc. VAT per person. This covers the completion of our required Anti-Money Laundering (AML) identity checks. The charge is non-refundable — because even superheroes have paperwork to deal with!
