South View Terrace is a lovely street, sitting just off Beaumont Road in popular St Judes, Plymouth. With little through traffic, the location adds an appeal of central living together with a quiet and relaxing vibe.

No 83 is a fantastic example of a Victorian terraced home spanning over 1100 Sq Ft, and has been maintained by the current owners with recent updates such as new carpets and flooring to the ground floor, a recent re-paint to the exterior walls and a new boiler fitted in February 2025. The ground floor living space is entered via a light and airy hallway, enjoys a calm and well presented living room that opens through to a delightful dining area - both of which retain original style fireplaces.

The fitted kitchen is a great spot for crafting your morning coffee, and with a door leading to the walled courtyard, you can head outside in a moment to enjoy soaking up the sun. There is plenty of space to the split level rear yard which also allows pedestrian access to the alleyway behind.

The first floor accommodates two double bedrooms, a further third bedroom ideal as a nursery or study and a well appointed bathroom with shower over the bath.

With no onward chain, DC Lane welcome you to experience this lovely home.
