PROPERTY SUMMARY

SOLD A stunning detached, low-carbon new house in this popular part of Grove Park only a few minutes from the River Thames and Chiswick House and Grounds. The building's renown is largely due to its dazzling yet discreet cladding, which is both a remarkable sculpture and provides functional weather protection. A house that blends innovation, beauty, sophistication, and comfortable, modern British city living. Designed by an architect working at one of the world's leading practices, New Fauconberg Cottage replaced a building that had been on the site since 1931. The area is well served locally with the Copper Cow, Budgens, the Grove Park Deli and Nuki's Thai, all found in Fauconberg Parade whilst both Gunnersbury station (District Line and Overground) and Chiswick Mainline station both within a fifteen-minute walk.
