Stepping inside, you are welcomed

by an entrance lobby which opens into a wonderfully light-filled lounge/diner. This inviting space provides ample room for both relaxation and dining, centred around a charming Portland stone fireplace with wood burner, creating a cosy retreat after coastal walks.

Flowing through from here is the fitted kitchen, featuring a range of matching eye and base level units along with space for essential appliances. Completing the ground floor is the family bathroom, fitted with a bath and shower over, wash hand basin, and WC.

Rising to the first floor, you'll find the main bedroom, a walk-in wardrobe, and an additional shower room. The principal bedroom enjoys a front aspect and benefits from built-in wardrobes, while the walk-in wardrobe leads through to a well-appointed shower room with shower, wash hand basin, and WC.

The second floor provides two further bedrooms, including a comfortable front aspect double and a rear-facing guest room, offering flexibility for family living or visiting guests.

Outside, the garden is an absolute highlight—a peaceful, coastal haven thoughtfully arranged with mature planting, lawn, shingle, and seating areas. Whether it's relaxing with an evening glass of wine, hosting summer BBQs, or dining al fresco, this space perfectly embraces outdoor living. All of this is enhanced by mesmerising sea views and spectacular sunsets, creating a truly special setting to unwind and enjoy.
