£240,000

Located in the popular village setting of Huntington, to the north of York, is this charming Victorian cottage offering more space than first appears, along with a generous courtyard-style garden to the rear. Ideally placed for a range of local amenities including shops, eateries and regular bus connections into York city centre and the railway station, the property presents an excellent opportunity for first-time buyers or investors alike.

Internally, the property is entered via an entrance vestibule which leads through to the bright and welcoming living room positioned to the right, featuring a large window that allows natural light to flood the space. To the rear of the property is a fitted kitchen comprising a range of shaker-style wall and base units, providing ample storage and worktop space, along with room for a selection of freestanding appliances. Beyond the kitchen is a recently upgraded shower room finished with contemporary wall tiling and modern black fixtures and fittings, with a WC positioned to the rear and accessed via a secondary hallway.

To the first floor are two well-proportioned double bedrooms, both offering space for a range of freestanding furniture.

Externally, the property benefits from an enclosed courtyard-style garden to the rear, along with a deep storage cupboard ideal for bins or outdoor furniture. On-street parking is available immediately outside the property.

Offered with no onward chain, early viewing is highly recommended.
