**£382,500**

There is an immediate sense of space and versatility in this substantial five-bedroom detached home, with generous reception rooms, extensive gardens and a flexible ground floor layout. The living room runs from front to rear, with a window overlooking the enclosed front garden and a glazed door opening directly onto the rear, while a separate dining room provides a second dedicated reception space. The kitchen offers extensive storage and worktop space with an induction hob, double oven, dishwasher and fridge/freezer. There is also a ground-floor W.C. and a substantial multi-purpose room and is complemented by a particularly useful separate utility room with additional storage, laundry facilities and access towards the rear garden. A notable feature is the ground floor bedroom, converted from the former garage and incorporating its own kitchen area and en-suite shower room, creating an extremely versatile addition to the accommodation. Upstairs are four further bedrooms with great built-in storage or fitted wardrobes, together with the main bathroom. Outside is every bit as interesting as the accommodation itself, with a driveway for up to three vehicles, an enclosed lawned front garden and a side garden linking through to the substantial south-facing rear garden. Here, extensive decking surrounds a large koi pond, with mature planting, separate seating areas and a further enclosed artificially turfed section creating a series of distinct outdoor spaces.
