The primary living space unfolds across the rear of the ground floor and consist of a three interconnection areas; a cosy sitting area with wood burner, large sociable dining area and finally kitchen with island. Glazed doors flank the outer wall and provide a constant visual connection to the garden, grounding the home in its natural surroundings and welcoming in a wonderful quality of natural light. A separate reception room can also be found at the front of the plan along with a third of the three bedrooms. The ground floor further benefits from a utility room, shower room and large storage cupboard for added convenience.

On the first floor there are two well proportioned bedrooms: the spacious principal is on the right with built in wardrobes and joyful views of the garden. There is also a large second bedroom and shared bathroom.

Externally, the wrap around gardens have been beautifully considered and form an integral part of the overall experience of the property. A patio flows directly from the property and provides the ideal spot for entertaining whilst an area dedicated to wild flowers provides a haven for wildlife.
