A beautifully presented 5-
bedroom terraced Edwardian
house, situated in a
commanding position on a
sought-after road moments
from the heart of Kensal Rise.

This listing offers an
exceptional opportunity to
acquire a meticulously
refurbished turn-key house in
an enviable location.

Upon entering, it becomes immediately apparent that a stringent interior design process has taken place. The Ground Floor is split into two predominant living areas. There's a sizeable and distinctly cosy reception at the front that retains a number of exquisite original architectural features, including ceiling corning and a gorgeous cast iron fireplace. There's a secluded studio in the midriff that's soundproof and can also act as a cinema room.

The rear is particularly impressive, comprising a 23ft kitchen/diner that's abundant in natural light throughout the day owing to large crittall doors and skylights. The

kitchen has been fitted to an outstanding end-user specification, including a Gaggenau oven and a sub-zero fridge. A mature 37ft west-facing garden is accessible via the rear.

The upper floors offer five bedrooms. The principal bedroom is situated at the front of the First Floor and boasts an ensuite shower room. The remaining bedrooms are all serviced by a large family bathroom on the First Floor, and a second shower room on the Second Floor.

Viewing is thoroughly recommended.
