Set on the highly sought-after Horseshoe, this exceptionally spacious detached bungalow in York offers over 2,000 sq. ft. of versatile accommodation, including outstanding loft space. Beautifully maintained and significantly larger than most bungalows in the area, it provides generous living areas, well-proportioned bedrooms and a flexible layout ideal for families, multi-generational living or those seeking single-level living with additional first-floor rooms.

A welcoming entrance hall leads into a substantial living room with garden views and excellent natural light, while a second large reception room offers further space for entertaining or relaxation. To the rear, the spacious kitchen diner features a range of units, space for a freestanding range-style oven and ample room for dining and socialising, with direct access to the garden. A useful utility room sits just off the kitchen.

The ground floor includes two double bedrooms — one with an ensuite toilet and sink — along with a well-appointed family bathroom. A turned staircase leads to the first floor, where two additional double bedrooms are served by a modern shower room, creating an ideal guest suite, teenagers' floor or dedicated home-working area. There is also access to a large, fully boarded loft with skylights, offering exceptional storage or potential hobby space.

Externally, the bungalow occupies a prime position on this well-regarded street, known for its attractive homes and convenient access to York city centre, local amenities and transport links.

Well maintained throughout and offering proportions rarely found in bungalows, this impressive home represents an excellent opportunity to secure a large detached bungalow in one of York's most desirable residential locations.
