# CARR FARM BRIGG ROAD

## DESCRIPTION

Carr Farm is one of those properties that immediately makes an impression. Set within a wonderfully secluded position on the outskirts of Brigg, this beautiful period home offers generous and versatile accommodation, extensive outdoor space and an abundance of original character.

A sweeping driveway creates an impressive approach to the property and provides extensive off-road parking, continuing towards a substantial detached double garage with adjoining workshop. The grounds even retain the property's original working well — a wonderful feature and particularly useful for keeping the extensive lawns and gardens watered.

Step inside and the heart of this home is undoubtedly the fantastic kitchen, dining and family room. Generous enough to accommodate a ten-seater dining table, this is a superb entertaining space made for large family gatherings and Christmases at home.

The kitchen itself is beautifully appointed with a breakfast bar, double oven and integrated appliances, while a feature log-burning stove brings warmth and atmosphere to the room during the colder months.

For quieter evenings, the forward-facing sitting room delivers everything you would hope to find in a period country property, with a magnificent inglenook fireplace housing a further log-burning stove and an abundance of traditional charm.

Leading from the kitchen is a cleverly positioned home office, where a rear-facing window frames the exceptional countryside views — certainly not a bad backdrop for the working day.

From here, the accommodation continues into the sunroom, providing another relaxing reception space overlooking the grounds. Whether enjoying a quiet morning coffee or opening the space up when entertaining friends and family during the summer, it connects beautifully with the outdoor lifestyle this home offers.

The ground floor also benefits from a full walk-in wet room and an excellent utility room with provision for additional fridge and freezer space, washing machine and tumble dryer. A large sliding wardrobe provides invaluable storage for coats, shoes and everyday family essentials.

Adding yet another dimension to the accommodation is an impressive games and entertaining room, currently arranged with a full-size pool table and bar, with direct access out towards the rear — a fantastic space for parties, teenagers or relaxed evenings with friends.

## FIRST FLOOR

The first floor continues to impress.

The principal bedroom enjoys direct access into a beautifully appointed bathroom featuring a contemporary freestanding bathtub and separate walk-in shower. Cleverly designed with access from both the principal bedroom and landing, it can function as a luxurious en-suite while remaining accessible as the main family bathroom.

The guest bedroom is another generous room, complete with two built-in wardrobes and its own en-suite shower room, while bedroom three provides a further comfortable double bedroom.

## GARDENS, GROUNDS & OUTBUILDINGS

Outside is where Carr Farm truly comes into its own.

The extensive gardens wrap around the property, creating a wonderful feeling of space, privacy and seclusion, with lawns opening out towards uninterrupted countryside views.

A particularly generous parcel of land extends to the side of the property and incorporates established fruit trees, a polytunnel ideal for growing your own fruit and vegetables, and a selection of useful outbuildings.

The substantial detached double garage and workshop provide excellent space for vehicles, hobbies, storage or

those requiring dedicated workshop facilities.

Private, characterful and incredibly versatile, Carr Farm offers a lifestyle that is becoming increasingly difficult to find — a substantial period family home surrounded by space and countryside, yet conveniently positioned in Cadney on the outskirts of Brigg.
