

- End Terrace House
- 3 Bedrooms

- 2 Bath or Shower Rooms
- Good Parking Front and Rear

- Gas Central Heating
- Double Glazing

Constructed just after the turn of the century, this end-terrace house offers a great blend of traditional and modern. Built in a period style that matches the street scene of Lindsey Street, internally, the design offers highly appealing open-plan living. A particular feature with 'wow factor', the 33' living and dining room is open to the kitchen which, in turn leads out through the conservatory to the southwest-facing garden. Upstairs there are three good bedrooms and two bath or shower rooms. With parking front and rear, this is a really practical but dynamic home that's a very reasonable walk from the cafes, shops and restaurants of Epping High Street as well as the Central Line station.
