The internal accommodation comprises: an entrance hallway with stairs leading up to the first floor and a door opening into the living room. The living room is generously proportioned, featuring a large bay window that fills the space with natural light, decorative ceiling detailing, wood effect flooring and an electric fireplace. Glazed double doors lead through to the open plan kitchen and dining area, where fitted wall and base units, an integrated oven and gas hob, tiled splashbacks, terracotta tiled flooring, space for a fridge-freezer and direct access to the rear garden complete the space.

The first-floor landing provides access to both double bedrooms and the family bathroom. The main bedroom benefits from a bay window overlooking the front of the property, fitted carpeting and a walk-in wardrobe with an original stained glass window. The second bedroom is another well-proportioned double with a front-facing window and fitted carpet. Completing the accommodation is a fully tiled family bathroom fitted with a panelled bath, separate corner shower enclosure, pedestal wash basin and WC.

Externally, the property is approached via a driveway providing off-road parking alongside a lawned front garden. A paved pathway continues to the side of the property, creating a generous wrap-around outdoor space with excellent potential for future extension, subject to the necessary planning permissions. To the rear, the garden features a paved patio leading onto a lawn, enclosed by timber fencing and mature trees and shrubs, creating a good degree of privacy.
