Location

Debach is well placed for access to Wickham Market (5 miles), Framlingham (8 miles) and Woodbridge (5 miles). Woodbridge, a market town of some considerable character on the west bank of the River Deben, has extensive facilities including an array of independent and multiple shops, schools for students of all ages in the state and independent sectors (it is understood that the property is in the Farlingaye High School catchment) and a railway station with some direct services running to London's Liverpool Street station. Further rail connections to both London and Norwich are available from Ipswich, Suffolk's County town, which has a population of some 130,000 and provides all the services and facilities one would expect from a town of this size. There are good sporting opportunities in the surrounding district and sailing can be enjoyed on the tidal rivers, Deben, Alde and Orwell or at sea. The picturesque Suffolk countryside also provides many attractive walks.

Description

1 Beaconsfield Cottages is a semi-detached period cottage of predominantly brick construction with part rendered elevations under a tiled roof dating from 1881. The property has been well maintained and was extended to the rear and completely renovated in 2010. At this time new double glazed windows were added, and the wiring and plumbing was also renewed. All external walls of the original house were lined internally with thermally insulated plasterboard. In addition, the party wall with No2 was lined with sound deadening plasterboard.

A stable style door to the front of the cottage provides access to a dual aspect kitchen which has a window to the side of the property and a further window to the front enjoying lovely field views. It is fitted with high and low-level wall units and there is space and plumbing for a washing machine, electric oven and fridge freezer. There are wood effect worksurfaces and a one and a half bowl sink. A door leads to a hallway where stairs rise to the first floor landing and there is an understairs cupboard. Off this is the sitting room, shower room and dining room. This has a window to the front of the property enjoying countryside views. The downstairs shower room has a WC, handwash basin, shower and window to the side. The sitting room, which was constructed in 2010, has windows and French doors overlooking the garden and driveway. In one corner is a brick fireplace with woodburning stove. The first floor landing has a natural light tunnel and an airing cupboard with slatted shelves and a radiator. There is also a hatch to the roof space. Doors lead off to the three double bedrooms and bathroom. Bedroom one has a window with far reaching views, a fireplace, a wardrobe and a cupboard which is home to the modern hot water cylinder with slatted shelving. Bedroom two has a built-in wardrobe and window to the rear overlooking the garden. The bathroom has a WC, handwash basin and bath with shower above and glazed screen. It also has a window with obscured glazing to the rear. The third bedroom, again which can be used as a double has field views to the front.

Outside

The property is approached from the road through a five-bar gate which leads to a shingle drive which can provide off-road parking for three vehicles. To the front is a strip of lawn and hedge and here there is also a well. The rear garden has an area of lawn which is bordered by flower and vegetable beds. It is enclosed by hedging and fencing and there is also a garden shed and a greenhouse. In all, the grounds extend to approximately 0.12 acres.
