DESCRIPTION

Situated on the private and highly regarded Prevetts Way, within the sought-after Church Farm estate in Aldeburgh, this exceptional detached home forms part of an exclusive enclave of individually designed, high-quality properties.

No. 3 Prevetts Way is an attractive modern two-storey residence, beautifully crafted with Flemish bond brick elevations and knapped flint panels beneath steeply pitched tiled roofs. The varied elevations, featuring dormer and casement windows, give the house a distinctive and characterful appearance. Enclosed by charming crinkle-crankle brick walls, the gardens offer a high degree of privacy and tranquillity.

A hand gate opens to a wide paved pathway with planted borders, leading to an inviting entrance portico and front door. Inside, a spacious reception hall sets the tone, with an elegant staircase rising to the first floor. The property offers two versatile reception rooms, including a stunning principal sitting room with an impressive inglenook-style fireplace, timber bressummer beam, quarry-tiled hearth, and wood-burning stove. Full-height windows and a glazed door open directly onto the garden. A second reception room also enjoys garden access and, with an adjacent shower room, provides flexibility as a potential ground floor bedroom.

The kitchen/breakfast room is superbly appointed with a range of high-quality wooden units, polished stone worktops, and integrated appliances including a Neff hob, AEG oven and microwave, concealed dishwasher, and larder cupboard. Distinctive features such as glazed brick arrow-slit windows, tiled

flooring, and downlighting enhance the space. A rear hallway leads to a well-equipped utility room with matching cabinetry, plumbing for appliances, and access to the integral garage, which benefits from an electric door. A glazed door opens to a private courtyard with double gates to the front.

Upstairs, a generous galleried landing leads to four well-proportioned bedrooms. The principal bedroom enjoys dual aspects, built-in wardrobes, and an en suite shower room. The guest bedroom is equally spacious, also with dual aspects, fitted wardrobes, and a stylish en suite bathroom. Two further bedrooms, both with built-in storage, are served by a well-appointed family bathroom with separate bath and shower.

Outside, the property offers driveway parking for two vehicles and access to the garage. The beautifully landscaped rear garden is arranged over two levels, with extensive paving and shingle areas, stepping stones, and a variety of flowering plants and shrubs. Raised brick borders, a timber pergola with climbing roses, and a secluded seating area create a delightful outdoor setting. A brick store and covered passageway provide additional practicality, complete with power, lighting, and a water supply.
