The internal accommodation comprises: An entrance hall with stairs rising to the first-floor landing. To the left is the spacious lounge, featuring a walk-in bay window and useful understairs storage. A door from the rear of the lounge leads through to the kitchen/dining room, creating a natural flow between the main living spaces.

The kitchen/dining room spans the rear of the property and provides a bright and sociable space for family living and entertaining. The kitchen is fitted with contemporary white wall and base cabinetry, contrasting work surfaces and a marble-effect tiled splashback, with integrated appliances including an oven and hob. French doors open directly onto the rear garden. The kitchen/dining room also leads into a useful utility room, which in turn provides access to the downstairs WC.

The first floor provides three well-proportioned bedrooms. The master bedroom benefits from a walk-through wardrobe leading into a private en-suite shower room, which has recently been retiled and provides a contemporary finish. The remaining two bedrooms offer flexibility for family members, guests or home working. The family bathroom is fitted with a three-piece suite comprising a bath with shower over, wash basin and WC, and has also been recently retiled.

Externally, the property occupies a particularly good plot on a low-traffic road, with a front garden and driveway providing access to the attached garage. The recently updated rear garden is a notable feature, with a large porcelain-tiled patio immediately outside the French doors, leading onto a generous lawn and a separate decking area. The property also enjoys uninterrupted open views towards the protected wildlife corridor, with no expectation of development directly in front.
