A spacious and well-proportioned two-bedroom top floor flat positioned within Western Court on Chapel Hill, Flat 20 presents an excellent opportunity for first-time buyers, downsizers or investors alike and is offered to the market with no onward chain. Although now requiring some modernisation, the property provides fantastic potential to create a comfortable and stylish home in a highly convenient central location. A particular highlight of the property is the panoramic outlook, with far-reaching views stretching across Clevedon towards the Bristol Channel and the Mendip Hills.

The accommodation begins with a welcoming entrance hallway providing access to useful built-in storage cupboards and the principal rooms. The living room is bright and spacious, enjoying elevated views across the town and beyond, while double doors connect seamlessly to the kitchen, creating a practical and sociable layout. There are also two well-sized double bedrooms and a shower room, with the overall layout offering comfortable and versatile living throughout.

Outside, the property benefits from an allocated undercroft parking space together with additional communal visitor parking. The communal grounds surrounding Western Court are attractively maintained, with established gardens and seating areas providing residents with a pleasant environment to relax and enjoy. The building also benefits from a lift within the communal hallway, providing convenient access to the upper floors.

Perfectly positioned between Clevedon Town Centre, Hill Road and the iconic seafront, the property enjoys easy access to a wide range of independent shops, cafés, restaurants and coastal walks. This highly convenient setting makes the flat equally appealing as a permanent residence, lock-up-and-leave property or investment opportunity.

“Far-reaching views and fantastic potential from a central Clevedon position.”
