BEDROOM DOUBLE FRONTED DETACHED
FAMILY HOUSE.

£499,995 Freehold

ROBERT ELLIS ARE DELIGHTED TO BRING TO THE MARKET THIS EXTENDED, SPACIOUS DOUBLE FRONTED THREE BEDROOM DETACHED FAMILY HOUSE SET BACK FROM THE ROAD OFFERING AMPLE PARKING, GARAGE, AS WELL AS A GENEROUS REAR GARDEN.

The property boasts accommodation over two floors, the ground floor comprising a welcoming entrance hallway with useful downstairs storage space, spacious living room, office/garden room, dining room, WC, breakfast dining kitchen and utility room. The first floor landing then provides access to three bedrooms and a bathroom.

The property also benefits from gas fired central heating from a combination boiler, double glazing, house alarm, ample off-street parking, garage with electric door, power, lighting and its own loft space, as well as a generous south-facing family sized garden to the rear incorporating a good size garden building situated towards the foot of the plot.

The property offers easy access to nearby amenities in Ilkeston town centre. There is also easy access to a vast array of nearby transport links including Ilkeston train station, whilst also being on the doorstep to ample outdoor countryside.

There is easy access to schooling for all ages nearby and for those needing to commute, there is easy access to motorway junctions, as well as local A roads to and from the surrounding area.

The property offers so much potential, subject to relevant permissions and approvals, and would make an ideal long term family home. We highly recommend an internal viewing.

Double glazed windows to both the front (with fitted blinds) and side, coving, spotlights, partial tiling to the walls, Victorian-style radiator with towel rail attachment, range of fitted bathroom furniture including two corner storage cupboards, wall mounted shelving, wall light points, shaver point.

OUTSIDE

To the front of the property there is a lowered kerb entry point from the main road leading to a curved and spacious block paved driveway providing off-street parking for several vehicles with brick wall to the front boundary line. The front garden benefits from a shaped garden lawn with an array of planted bushes and shrubbery to the boundary line. The block paving then provides access to the front entrance door, as well as the garage front via an electronically operated garage door. Pedestrian access takes you to the rear garden.

TO THE REAR

The south-facing rear garden is of a good overall proportion being on a generous and overall level plot with an initial double shaped patio area (ideal for entertaining) with shaped retaining wall and coping stones. The garden then leads down onto an initial shaped garden lawn with an array of planted borders housing specimen bushes, shrubs, trees and conifers to the boundary line. A paved pathway and stepping stones takes you past a central planted flowerbed and rockery housing a variety of bushes and shrubbery. There is a detached garden building to right hand side and a pedestrian gate takes you to the rear part of the garden. The rear part of the garden is predominantly lawned. Double gated pedestrian access leading down the side of the house via a continuation of the block paving from the front. Pedestrian access down both sides of the house. Outside lighting point and water tap. The foot of the plot consists of a good size raised patio area. The rear part of the garden is predominantly lawned with a central greenhouse screened by hedgerows and picket fencing to the boundary line. Concrete base where an old garage once stood many years ago. Further patio area to the rear of this garage base. Old remnants of a historic driveway which used to provide access leading down the side of the house (now blocked off by the extension of the utility room) so now a footpath leading from the utility room down to the foot of the garden plot.

GARAGE

20'7" x 8'3" (6.28 x 2.52)

Electrically operated garage door to the front, power and lighting points, personal access door leading back through to the utility room to the rear and its own garage loft space.

DIRECTIONS

Leave Ilkeston and proceed in the direction of West Hallam, passing Straw's Bridge on the right hand side. Continue to join High Lane West. The property can be found on the left hand side, set back from the road, identified by our For Sale board.

DETACHED GARDEN BUILDING

20'7" x 7'0" (6.28 x 2.15)

In need of general TLC, potential power and lighting (subject to the testing and re-connection of the cabling), has its own breaker box, lighting points and power sockets. The room would make an ideal outside garden office, bar or playroom with the potential for double doors and windows are currently in place to both the side and rear.
