

Forsyth House, Lower Richmond Road, Richmond, TW9

Richmond

£2,200 pcm

Deposit: £2,538.46

Date First Available: 03/12/2026

Furnishing: Furnished

A beautifully presented one-bedroom furnished apartment situated on the second floor of the modern Forsyth House development, ideally positioned within easy reach of Richmond town centre and Richmond Station.

Finished in a contemporary style throughout, the accommodation comprises a bright and spacious open-plan reception room and kitchen with integrated appliances, including a dishwasher, a separate double bedroom and a modern bathroom. A particular highlight is the **generous private balcony**, providing excellent additional outdoor living space.

The apartment also benefits from **allocated gated underground parking**, electric underfloor heating, a heat pump, entry phone system, lift and stair access, along with a secure combination-locked bicycle store within the basement garage.

Offered fully furnished, the apartment would make an ideal home for a professional individual or couple looking for modern, convenient living in one of South West London's most desirable locations.

Furnishing: Furnished

Forsyth House is superbly positioned on Lower Richmond Road, within easy reach of Richmond's extensive selection of shops, cafés, restaurants and riverside attractions. Richmond Station provides excellent connections into Central London via National Rail, London Underground and London Overground, while North Sheen Station is also conveniently accessible.

The property is well placed for **Kew Gardens, Mortlake** and The National Archives, with **Chiswick** and Chiswick House & Gardens accessible across the Thames. **Richmond Park** is within cycling distance, while a variety of leisure and sporting facilities, including Pools on the Park, are also nearby.

Everyday amenities are well catered for, with Sainsbury's, Waitrose and a wide selection of local shops within easy reach, alongside convenient bus connections towards Richmond, Barnes and the surrounding areas.
