Description

A rarely available home on Perrots Lane in the heart of Steyning, this modern property was built by John Mowlam Homes around 1990 and offers generous proportions and an attractive plot with a detached double garage and ample driveway parking. Inside, the layout flows beautifully, with double doors opening into a bright sitting room featuring a gas fire, while a spacious oak-framed sunroom with underfloor heating provides an inviting space year-round, offering garden access through further double doors. The well-appointed kitchen has room for a breakfast table, and the adjacent dining room could serve as a cosy snug or be opened up to create an impressive family kitchen. Upstairs are four double bedrooms, all with built-in wardrobes; the main bedroom benefits from an en-suite shower room, complemented by a modern family bathroom.

Outside, the south-facing garden is mainly laid to lawn with a charming patio, mature hedging, and a generous side area with a wooden shed. The detached double garage features an electric roller shutter door and comfortably fits a modern car with additional storage space. Well presented throughout, with double glazing and gas-fired central heating, this appealing home is offered with no onward chain.
