Three bedrooms, a garage, a great garden and seriously stylish interiors — Medlar Road has family home written all over it.

Sitting pretty on the sought-after Thurrock Park development, this beautifully presented semi-detached home offers generous living space with plenty of personality.

Step inside and you'll find a lovely-sized lounge complete with feature dado wall panelling — because plain walls are overrated — followed by a beautifully appointed kitchen/diner that's ready for everything from hurried weekday breakfasts to Friday night entertaining.

Upstairs, there are three nicely proportioned bedrooms and a smart, modern family bathroom, while outside there's a good-sized rear garden with plenty of room for summer BBQs, little legs and lazy afternoons.

And because family life comes with cars, bikes, boxes and seemingly endless amounts of “stuff”, there's driveway parking and a garage too.

Stylish, spacious and ready to move straight into — this is one you'll want to see before somebody else calls it home.
