4 Palmer Drive, Alferton, DE55 1BP

£210,000

Being sold chain free is this deceptively spacious three-bedroom home, which also benefits from an additional plot of land offering huge potential — ideal as an allotment, garden extension or possible redevelopment, subject to the necessary planning permissions.

The accommodation includes an entrance hallway, living room, open-plan dining kitchen and ground floor WC. Upstairs, there are three well-proportioned bedrooms along with a recently fitted modern shower room.

Outside, the property benefits from off-street parking, a detached garage and the additional plot of land, all accessed via a shared driveway. To the rear is a generous, fully enclosed garden laid mainly to lawn with mature planted borders and far-reaching views across open countryside, making it a great space to enjoy some peace and privacy.

- Spacious three bedroom home
- Driveway & garage
- Additional plot of land included
- Open plan dining kitchen
- Separate living room
- Being sold chain free
