A stylish and beautifully presented one-bedroom apartment within the sought-after Venture Lofts development, offering contemporary living, an impressive specification and excellent natural light.

Arranged over the second and third floors, the apartment provides a comfortable open-plan reception room and kitchen, with sleek fitted cabinetry, integrated appliances and generous worktop space. The split-level layout creates a natural separation between living and sleeping areas, while the excellent built-in storage helps maintain a clean, uncluttered feel.

The double bedroom enjoys a peaceful rear-facing aspect, fitted storage and Velux windows that flood the room with natural light. The modern shower room complements the apartment's contemporary aesthetic.

The property is set at the rear of the development, providing attractive afternoon and evening sunlight without the bustle of the High Street. The development itself is modern and stylish, with secure communal areas, lift access and a smart, well-maintained entrance.

The location is exceptionally convenient, with Purley High Street's range of shops, cafés, restaurants and everyday amenities immediately accessible. Tesco Extra is nearby, while popular local cafés and restaurants provide plenty of options for both everyday convenience and eating out.

Purley station is within easy walking distance, providing direct rail connections to London Bridge and London Victoria with typical direct journey times of around 25 minutes. The station also offers Thameslink services, providing wider connections through London and beyond.

An excellent opportunity for a first-time buyer, professional purchaser or investor seeking a high-quality, low-maintenance home in a well-connected South London location.
