Set on a generous corner plot in the highly sought-after Kents Hill area of Milton Keynes, this beautifully presented four-bedroom detached family home offers stylish, modern living in a prime location.

Recently renovated throughout, including an upgraded consumer unit and replacement boiler by the current owners.

Upon entering, you're welcomed by a bright entrance hall with stairs rising to the first-floor landing. Off the hallway is a spacious dual-aspect lounge featuring patio doors that open out to the landscaped rear garden, perfect for entertaining or relaxing.

The heart of the home is the contemporary kitchen/dining room, boasting sleek wall and floor units, a range of integrated appliances, and stunning bi-fold doors that lead out to the garden. A separate utility room provides added convenience and flexibility, while a modern cloakroom completes the ground floor. The property also benefits from underfloor heating throughout the downstairs accommodation, with the exception of the lounge.

Upstairs, the first-floor landing leads to four generously sized bedrooms, including a principal bedroom with a stylish en-suite. A well-appointed family bathroom with underfloor heating completes the first floor.

Externally, the rear garden is fully enclosed and thoughtfully landscaped. Mainly laid to lawn, it also offers a dedicated dining space and a sunny area ideal for loungers, perfect for enjoying summer days. Side-gated access adds practicality.

The driveway was recently updated to provide off-road parking for multiple vehicles including an additional space at the side of the house.

This is a rare opportunity to acquire a truly turn-key home in an excellent location, with further scope to extend above the garage or to the rear, subject to the relevant planning permissions. Early viewing is highly recommended.
