Balderton is one of Newark's most popular and well-established villages, positioned just to the south of the town and offering an excellent range of everyday amenities

within easy reach. The village has grown over the years while retaining a strong sense of community and remains particularly popular with families and commuters alike.

The village provides a wide variety of amenities including local shops, supermarkets, cafes and public houses, together with a medical centre and leisure facilities. Education is well catered for with the highly regarded Chuter Ede Primary School and The Newark Academy both located within the village.

Newark town centre lies only a short distance away, offering a wider range of shops, restaurants and leisure facilities, together with two railway stations. Newark Northgate provides direct rail services to London King's Cross in approximately 75 minutes, making the area highly attractive for commuters. The village also offers convenient access to the A1 and A46, providing straightforward road links to Nottingham, Lincoln and beyond.
