*"We have loved living here while working in Bristol, enjoying a peaceful complex where the evening sun fills the rooms and the river flows calmly below us. It's an easy stroll into the city centre or Temple Meads station, especially with the convenience of passing the on-site bar and restaurant along the way. Having two bedrooms and bathrooms has allowed us to happily host family many times, providing plenty of space for everyone. Throughout the lockdowns, we truly valued the comfort of the flat and the opportunity to spend time outside, playing card games on the balcony."*
