### Denise White Estate Agents Comments

Nestled within the magnificent Grade II listed St Edward's Hall – an iconic building dating back to the 1890s – this exquisite apartment offers a rare blend of historical grandeur and refined modern living. Set within 122 acres of beautifully manicured grounds and enchanting woodland, the setting is as impressive as the property itself.

Positioned on the second floor, the apartment is arranged over three spacious levels, thoughtfully designed to showcase the building's original character. Soaring ceilings, elegant picture rails, and large sash windows fill the home with light and charm, while heritage tones and tasteful décor enhance its timeless appeal.

The lower level features a welcoming Entrance Hall with a useful storage cupboard off together with a WC. There is also a large, sophisticated Lounge, and a stylish Dining Kitchen which features an imposing Sash Bay Window which offers alluring views over the grounds which surround the building. Upstairs, the Principal Bedroom is located on the First Landing; a spacious room with a range of built in wardrobes, and is accompanied by a well-appointed Shower Room. The Top Floor reveals two further bedrooms and a family bathroom, offering flexible and versatile living spaces for guests, family, or a home office. Externally, there are two allocated parking spaces to the front of the property.

This is a rare opportunity to own a piece of architectural heritage, combining period elegance with contemporary comfort—all within an exclusive country estate setting.
