WHAT'S GREAT?

Situated in the charming hamlet of Chelmscote, Leighton Buzzard, this exquisite home offers a perfect blend of modern living and sweeping countryside views. The current owners have carried out extensive renovations to redesign the layout giving contemporary open plan living throughout. Conveniently located, this home is just a stones throw away from the local train station providing a direct link to Euston in 30 minutes. Additionally you have easy access to Milton Keynes and its fabulous shopping centre. This combination of rural charm and urban convenience makes it an ideal choice for those looking to enjoy the best of both worlds.

The entrance hall gives access to all ground floor accommodation and flows perfectly into the hub of this home, an impressive open plan kitchen, diner & lounge. The ultra-modern kitchen is a true highlight, featuring bespoke fittings and finishes including all high specification integrated appliances. The windows and French doors flood this room with natural light creating a bright and airy entertaining space with stunning views all year round.

Additional features we think are great include the infrared heating system plus the presence of two log burners adding a touch of warmth and character.

To conclude the ground floor you also have a cosy snug, cloakroom & storage.

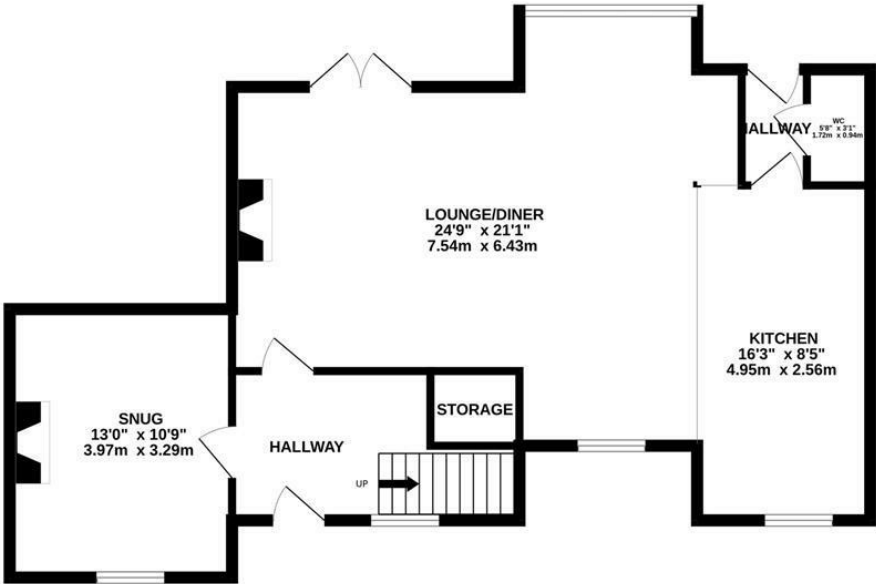

The first floor offers four generous bedrooms and the family bathroom. The Master Bedroom is a lovely size and features dual aspect windows and an ensuite shower room.

The large rear garden feels secluded and is mainly laid to lawn with decking providing seating areas. The surrounding countryside offers tranquil 360 degree views and provides beautiful walks for the family to enjoy. The extensive driveway is entered via electric double gates which provides off road parking for ample vehicles. You also have the addition of an EV charging point.
