Property Introduction

Set on a large plot with fabulous gardens, this detached chalet bungalow gains lovely views over St. Ives and Godrevy lighthouse from its elevated position.

Internally there is most versatile accommodation which would lend itself well to multi-generational living.

All rooms to the front of the property enjoy views out to the sea. There is ample driveway parking and three garages which is most unusual for the town of St. Ives where parking is usually very limited. To the front of the property there is a mature garden laid mainly to lawn with an extensive range of flowers, plants and shrubs. The kitchen gives access to a generous enclosed patio seating area, ideal for outside dining when the weather permits.

'St. Margarets certainly has a lot to offer and we urge you to view to appreciate this unique residence.

Location

St Ives is a charming coastal town famed for its rich heritage showcased in its numerous galleries, including the renowned Tate Gallery St Ives, Barbara Hepworth Museum, sculpture garden, St Ives School of Painting, Leach Pottery and many more. St Ives is well known for its four stunning beaches - Porthmeor is a favourite amongst surfers, whilst the calmer, clear waters of Porthminster Beach is ideal for families.

The picturesque Porthgwithen Beach provides a more secluded escape and the Harbour Beach is where you can enjoy boat rides and building sandcastles. The stunning coastal walks and scenery around The Island inspired Rosamunde Pilcher and Virginia Woolf amongst others. St Ives has a wide range of outdoor activities, including surfing, paddle boarding, tennis and golf to name a few.
