£315,000

A deceptively spacious this town centre, mid terraced house has 2 receptions on the ground floor: of which the living room is located to the front with bay window and the dining room is directly behind looking onto the rear garden, both have chimneys. The kitchen lies next to the dining room with window and UPVC stable style rear door onto the garden. The first floor has 2 double bedrooms, a shower wet room with airing cupboard and a separate toilet. On the second floor there is eaves storage from the landing and the remaining double and single bedrooms. The double bedroom on this floor has pleasant views over Seaford town to St Leonards church.

Outside the rear garden is private with flint and brick wall boundaries. Predominately laid to paving, the garden is very low maintenance with one raised bed to the side and a secure back gate onto a twitten. The front garden is again mainly laid to paving with shrub borders and steps lead to the property.

Ideally located, East Street is within Seaford town centre which offers a variety of shops, cafes, restaurants, access to the A259 coastal bus services to Brighton/Eastbourne and a railway station with services to Brighton and London. GP surgeries and some schools are within ½ mile, as is the beach and sea.
