Description

A well-presented three-bedroom, semi-detached, family home offering bright, light-filled accommodation, set on a generous plot on the outskirts of Dorking.

Internally, the accommodation includes a spacious and modern kitchen/dining room positioned to the rear, with doors opening directly onto the garden and a recently installed boiler adds further practicality and peace of mind. A separate formal sitting room is positioned at the front of the property and opens into the kitchen/dining room, creating a natural flow throughout the ground floor accommodation.

Upstairs, there are three bedrooms arranged with varying aspects, including two generously proportioned double rooms, together with a modern family bathroom.

A particular highlight of the property is the impressive rear garden, providing a good degree of seclusion and privacy. The garden is mainly laid to lawn, with steps at the rear rising to a generous walled terrace—an ideal setting for relaxing or alfresco dining and complemented by mature planting.

To the front, the property benefits from a private driveway providing off-street parking for four vehicles and the former garage has been thoughtfully converted into a versatile studio space, suitable for use as a home office, treatment room or similar.

Conveniently located within easy reach of Dorking town centre, this superb property occupies a highly desirable setting and presents an excellent opportunity for a wide range of buyers, including first-time purchasers, growing households and those looking to downsize.
