This substantial detached property was run as a successful guest house for many years, but has more recently been a family home offering a good degree of flexibility with its well-proportioned rooms, and a self-contained annexe. The property is conveniently located just a short walk from the nearby town centre, the seafront with miles of sandy beaches to explore, and the local train station with direct ferry connections to the mainland.

The versatile accommodation comprises a large lounge, dining room, kitchen, downstairs bedroom, and bathroom on the ground floor. The self-contained annexe comprises a large lounge/dining room, separate kitchen, bedroom, shower room, and separate W.C. The first floor provides a further 4 double bedrooms and a shower room. Additionally, the property benefits from a driveway providing parking for 2 cars and an enclosed rear garden.

The convenient location with access to many of Sandown's local amenities, the short walk to the beach with its miles of coastline to explore, and the very flexible living accommodation with a self-contained annexe makes this an ideal property for a large family, or anyone looking for the opportunity to rent part of the property to generate an income. A viewing is a must to appreciate the full extent of this fantastic detached property.
