STEPHENSON BROWNE

DESCRIPTION

A rare opportunity to acquire a substantial Grade II listed detached residence, bursting with character and offered to the market with no onward chain. Showcasing an abundance of stunning period features throughout, this unique home offers versatile and spacious accommodation seldom found within the local area.

The property is approached via a generous driveway providing off-road parking for up to four vehicles and is entered through one of two entrance doors, both leading into the impressive central hallway. The ground floor comprises three well-proportioned double bedrooms, with the principal bedroom benefitting from direct access to the luxurious family bathroom, fitted with twin wash basins, a freestanding bath and a large walk-in shower. The bathroom can also be accessed from the hallway. Further accommodation includes a utility room, separate WC and access to the substantial basement space below.

To the first floor is a spacious living room, study or nursery, generous boiler room and a well-appointed kitchen with stable door leading through to the conservatory, where delightful views can be enjoyed towards the church beyond. The conservatory also provides access to a balcony finished with artificial lawn,

creating the perfect spot to relax and enjoy the warmer months. A large fourth bedroom completes the accommodation and offers flexibility for use as an additional reception room if desired.

Externally, the property continues to impress with an integral garage, a decked seating area with pergola, and useful side access where bins are neatly concealed from view. With beautiful shutters throughout, exceptional room sizes and a wealth of original charm, this distinctive home offers a lifestyle opportunity rarely available within the area. An internal viewing is essential to fully appreciate the space, character and versatility on offer.
