About the property

Located in the heart of Westminster, and spread across five floors, the current owners have meticulously designed this striking property, which has been finished to a high standard throughout. There is also a Rega Vent heat recovery ventilation system.

The lower ground floor features a spacious kitchen with ample dining space and bi-folding doors opening to a patio area. This level also includes a utility room, pantry, media room, and two vaults. On the ground floor, you will

find a dining room with two casement windows, a guest cloakroom, and a study featuring a unique curved wall.

The first floor has an elegant reception room with three windows, bedroom, and a bathroom. The principal bedroom suite, complete with a spacious bathroom and fitted wardrobes, is positioned on the second floor. Finally, the third floor offers two additional bedrooms, two bathrooms, and two cupboards.
