

BEAUFORT GREEN

Tamworth Street, SW6

£850,000

Arranged over the first and second floors of a period building, this two double bedroom split-level home offers generous proportions, a smart configuration and a refined finish.

The first floor is centred around a separate reception room, with a recently renovated kitchen, double bedroom and bathroom also positioned on this level. Upstairs, a further double bedroom, second bathroom and useful eaves storage add to the sense of space and flexibility.

The private roof terrace is a real highlight, offering a generous outdoor setting for dining, seating and entertaining. A rare addition in this part of London.

Close to West Brompton Station, the property is well placed for transport links, local amenities and the wider lifestyle offering of SW6.
