Situated in the heart of Standish village, this charming property is within walking distance of lovely cafés, restaurants, and independent shops as well as excellent schools. Standish itself is a highly historical village, offering a wonderful blend of character and convenience. The property also benefits from private rear parking for two cars. Upon entering, you are welcomed by a practical vestibule with tiled flooring, leading into the first reception room. This versatile space could be used as either a dining room or a second lounge and is currently utilised by the owner as a home business space. Cleverly designed panelled storage has been fitted beneath the stairs, complete with shelving for shoes and additional space for coats and everyday essentials. To the rear of the property is the beautiful main lounge, featuring wood flooring, wall lighting, and a striking stone fireplace crafted from the same stone used in the village's historic local church. A newly fitted log burner creates a warm and inviting focal point. The lounge flows through to the brand-new kitchen, completed in March this year. Stylish and well-equipped, it includes a breakfast bar, integrated microwave and oven, fridge freezer, dishwasher, washing machine, wine fridge, bin cupboard, and a traditional Belfast sink that perfectly completes the look. French doors open directly onto the rear garden. To the first floor, the spacious and bright master bedroom overlooks the front of the property and benefits from fitted wardrobes as well as a large built-in storage cupboard. The newly fitted bathroom comprises a bath with shower over, WC, wash basin, and heated towel rail. The second bedroom is a generously sized double, while the third bedroom is a large single room. Outside, the rear garden is private and secure, featuring a lawn, patio area, mature planting, and a large shed with electricity connected. A gate provides access through to the rear parking area. Offered with no onward chain, early viewing is highly recommended.
