Agents Notes

There are several obligations on both sellers and buyers when completing the process for purchasing a park home and we recommend taking advice from a solicitor or another professional - independent from the seller or site owner when buying a home.). Sites often have requirements specific to the purchase of a property and to 'the site' in general, which could include paying the site owner's commission. Intending purchasers should satisfy themselves about any such requirements including any specific restrictions on occupancy or residential use of the home. Guidance can be sought from Park homes - GOV.UK (www.gov.uk)
