THIS IS AN ATTRACTIVE SECOND FLOOR, CORNER POSITIONED ASSISTED LIVING RETIREMENT APARTMENT situated at the end of the corridor with very little passing foot traffic, giving it a quiet and private feel. One of its outstanding features is the outlook. Both the Great Orme and Little Orme can be seen from the lounge and bedroom, with the promenade and shoreline directly across the road. Minimum age occupation is 60

It is a lovely apartment from which to watch the changing sea, seabirds, people on the promenade and the clouds moving across the bay, In rough weather the view can be every bit as absorbing as on a fine day, and at night the sound of the waves can often be heard from the bedroom.

The Apartment has been continuously occupied and maintained, with the lounge and hall recently redecorated and the normal services in working order. Fibre broadband has been professionally connected directly into the apartment, so the physical connection from the communal fibre network is already in place.
