Occupying a desirable corner plot within a popular cul-de-sac off Kenn Moor Drive, this modern end terrace home has been thoughtfully arranged to suit contemporary family living. Conveniently located close to the town centre, schools, playing fields and transport links, the property combines practicality with comfortable living spaces, making it an ideal home for growing families.

A welcoming entrance hallway, complete with built-in storage, provides access to the principal ground floor rooms. The kitchen is positioned to the front of the property, while the spacious living room creates a warm and inviting atmosphere centred around a charming wood-burning stove. Double doors open seamlessly into the conservatory extension, creating an additional reception area overlooking the garden and providing a bright space to enjoy throughout the year.

Also on the ground floor is a cloakroom and a versatile fourth bedroom, which could equally serve as a playroom, study or home office depending on individual requirements. To the first floor are three further well-proportioned bedrooms alongside a family bathroom, all arranged to provide practical and comfortable accommodation for modern family life.

Outside, the property enjoys the benefits of a private enclosed rear garden designed for ease of maintenance and family enjoyment. Artificial lawn and seating areas create an ideal environment for children, entertaining or relaxing outdoors, while a useful side store provides additional practical storage space. To the front, a block paved driveway offers ample off-road parking.

Situated within a sought-after residential area off Kenn Moor Drive, the property is ideally positioned for access to local schools, nearby playing fields, the town centre and a range of everyday amenities. Excellent transport links are also within easy reach, making the property well suited for commuters and families alike.

“A thoughtfully designed family home offering flexible living space, a private garden and an excellent location close to everything you need.”
