BALANCE DUE:

By signing this document I accept this quotation subject to the Terms & Conditions of Remove Sprayfoam Ltd.

CUSTOMER SIGNATURE:

Upon the completion of a project, Remove Spray Foam will conduct a thorough inspection.

This process typically involves a walkthrough with the customer, where we collaboratively verify that the work has been completed according to the contract specifications. Once the inspection is complete and everyone is in agreement, the customer will sign a satisfaction completion notice, after which Remove Spray Foam will issue a Certificate of Completion. Each certificate will include the customer's full name and address details.

TERMS AND CONDITIONS OF CONTRACT

Inspection and Approval:

An inspection will take place prior to the removal of insulation to ascertain the method and suitability of removal. Remove Sprayfoam Limited will be the sole judge of whether the work can commence and reserves the right to cancel the contract if deemed necessary.

Scheduling of Work:

While every effort will be made to maintain the notified date of removal, Remove Sprayfoam Limited cannot guarantee this date. The company shall not be liable for any expenses incurred by the Customer due to changes in the scheduled date.

Access Requirements:

The Customer is responsible for providing reasonable access to enable the survey and removal of insulation to be completed. A responsible person must be present when the removal takes place. Immediately upon completion of work, the Customer will be required to sign a note of satisfactory completion and make the full payment for services rendered.

Payment Terms:

100% of the total cost is due upon completion of the job. No work shall be considered complete until full payment is received.

Customer Responsibilities:

The Customer must ensure that all items stored in the loft space are either removed before the commencement of work or otherwise protected. Remove Sprayfoam Limited shall not be held responsible for damage to items left in the loft during the insulation removal process.

Protection of Moveable Objects:

The Customer shall ensure that all moveable objects are kept out of areas where they may be damaged by falling debris during insulation removal. Remove Sprayfoam

Limited cannot be held responsible for damage to such objects.

Damage Complaints:

Any complaints regarding damage to the Customer's property or contents must be made in writing and received by the Company within 7 days of the completion of the works.

Contract Terms:

This contract contains all the terms and conditions agreed upon by the parties. Any representation or variation, unless confirmed in writing by a Director of Remove Sprayfoam Limited, shall not be binding upon the Company.

Cancellation Policy:

The Customer is protected by The Cancellation of Contracts made in a Consumer's Home or Place of Work, etc. Regulations 2004. These regulations give the customer a cooling-off period of 14 calendar days, during which time the customer has the right to cancel and receive a full refund, unless the customer has agreed for work to commence within the 14-day cooling-off period. Any request for cancellation must be made via either registered post, email, or phone, and received within 14 calendar days.

Scope of Work:

The quotation is for the removal of the selected insulation from all accessible areas. Inaccessible areas are not included in the quote and will not be covered by the contract.

Interest on Overdue Payments:

An interest charge of 12% per month will be added to any account that remains unpaid.
